## **DEPARTMENT OF COMMERCE**

### **National Oceanic and Atmospheric Administration**

#### **Availability of Seats for National Marine Sanctuary Advisory Councils**

**AGENCY:** Office of National Marine Sanctuaries (ONMS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

**ACTION:** Notice and request for applications.

**SUMMARY:** ONMS is seeking applications for vacant seats for seven of its 13 national marine sanctuary advisory councils and Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council (advisory councils). Vacant seats, including positions (i.e., primary and alternate), for each of the advisory councils are listed in this notice under Supplementary Information. Applicants are chosen based upon their particular expertise and experience in relation to the seat for which they are applying; community and professional affiliations; views regarding the protection and management of marine or Great Lakes resources; and possibly the length of residence in the area affected by the sanctuary. Applicants chosen as members or alternates should expect to serve two or three-year terms, pursuant to the charter of the specific national marine sanctuary advisory council or Northwestern Hawaiian Islands Coral Reef Ecosystem Reserve Advisory Council.

**DATES:** Applications are due before or by Wednesday, November 30, 2016.

**ADDRESSES:** Application kits are specific to each advisory council. As such, application kits must be obtained from and returned to the council-specific addresses noted below.

**FOR FURTHER INFORMATION CONTACT:** For further information on a particular national marine sanctuary advisory council, please contact the individual identified in the Addresses section of this notice.

**SUPPLEMENTARY INFORMATION:** ONMS serves as the trustee for a network of underwater parks encompassing more than 600,000 square miles of marine and Great Lakes waters from Washington state to the Florida Keys, and from Lake Huron to American Samoa. The network includes a system of 13 national marine sanctuaries and Papahānaumokuākea and Rose Atoll marine national monuments. National marine sanctuaries protect our nation's most vital coastal and marine natural and cultural resources, and through active research, management, and public engagement, sustain healthy environments that are the foundation for thriving communities and stable economies. One of the many ways ONMS ensures public participation in the designation and management of national marine sanctuaries is through the formation of advisory councils. National marine sanctuary advisory councils are community-based advisory groups established to provide advice and recommendations to the superintendents of the national marine sanctuaries on issues including management, science, service, and stewardship; and to serve as liaisons between their constituents in the community and the sanctuary. Additional information on ONMS and its advisory councils can be found at <http://sanctuaries.noaa.gov>.

Materials related to the purpose, policies, and operational requirements for advisory councils can be found in the charter for a particular advisory council

([http://sanctuaries.noaa.gov/management/ac/council\\_charters.html](http://sanctuaries.noaa.gov/management/ac/council_charters.html)) and the *National Marine Sanctuary Advisory Council Implementation Handbook* (<http://sanctuaries.noaa.gov/management/ac/acref.html>).
